REMARKS

In the Office Action dated August 11, 2005, claims 1 and 2 were rejected based on the prior art, and claims 3-6 were stated to be allowed. Applicants filed Amendment "B" on October 17, 2005 wherein claim 1 was amended and arguments in support of the patentability of amended claim 1 were presented. In an Advisory Action dated November 2, 2005, the Examiner stated that Amendment did not place the application in condition for allowance.

Accordingly, the present Amendment cancels claims 1 and 2. Issuance of the application based on allowed claims 3-6 is therefore respectfully requested.

Submitted by,
